ANNA IN THREE WORDS:

Lucky

Unique

Innovative

#shesunstoppable

**“There is always a way,
you just have to believe.**

**And that has kept me
pedalling along on this
unusual journey.”**

#shesunstoppable

WHAT DRIVES YOUR PASSION & PURPOSE?

“**Strong coffee** and a desire to **be the change**. Not that you can have it all, because I don’t think that’s a useful phrase, but I just want to show that if you believe in things enough, **there is always a way.**”

#shesunstoppable

IF YOU COULD CHANGE ONE THING, WHAT WOULD IT BE?

“It would be **gender equality**.
Except that I would **turn up the
voltage** and make it happen,
like that!”

#shesunstoppable

WHO WOULD YOU NOMINATE AS UNSTOPPABLE?

“Kate Vandy, co-creator at the Bike Bureau. She has pushed through many barriers and she’s so supportive and positive. I can’t have a conversation with her without feeling uplifted and inspired. **That’s what female friendship is all about.**”
