“I’d love to tell you that I have some crazy workout routine and cold plunge every morning, but I don’t.

I smash in a coffee and scroll, like any normal person!”

WHAT'S YOUR UNSTOPPABLE STORY?

“I have lived a hundred lives. I’ve been a hairdresser, a dancer, a radio presenter. I tried everything until I found something that would click. But when I moved into the renewable industry, I found my passion and my heart.”

#shesunstoppable

WHAT KEEPS YOU UNSTOPPABLE?

“The mission – removing
barriers to a greener
future keeps me
unstoppable.”

WHAT DRIVES YOUR PASSION & PURPOSE?

“Leaving a **legacy for my daughter**. It was probably ego before then, wanting to prove people wrong and making some money for myself. But after having my daughter its completely shifted.”

#shesunstoppable

WHO WOULD YOU NOMINATE AS UNSTOPPABLE?

“My daughter, **Bonnie**. She’s 4, turning 5 but she really is a firecracker...**a force of nature**, so hopefully, you’ll have her here one day in the future!”
